

2018 July Car Giveaway

Who: Rays Certified Auto Repair will be giving away a repaired and reliable 2006 Chevy Impala to a deserving person in our community on July 13th, 2018.

What: We need help locating this deserving person. We're looking for a caring, giving person- a friend, family member, co-worker, church member or neighbor- who helps others, but may be down on their luck. Think of that person who always seems to brighten your day, no matter what they have going on.

When: We will be receiving nominations through the month of June, with the giveaway on July 13th.

How: Those interested in submitting a nomination can do so by sending Rays Certified Auto Repair a brief letter describing why they feel their nominee deserves the car. Entries should contain the nominee's name, telephone number and available contact information, as well as the nominating person's contact information.

Entries can be:

- Emailed to Rayscertifiedautorepair@gmail.com
- Mailed or dropped off at Rays Certified Auto Repair, 1313 Main Ave, Moorhead, Mn 56560

Please indicate "Car Giveaway" in the subject line or on the envelope.
